

The Beaney's Updates!

**Wow, another year has passed!
Hope you had a great Christmas
and a Happy 2015 to you all!!**

Family Time!

Mark's parents came to Perth!!! We had a lovely time catching up and showing them around Perth and the YWAM base and even got to have a holiday - such fun and precious memories!

Student Accommodation

Mark and other YWAMers have been working hard to renovate a warehouse near the base into accommodation for 50 staff and students!! They have worked long hours to try and get it completed for the new school quarter in January - we have around 170 students doing schools!! So apart from building up the muscles, Mark has enjoyed working with a team of people in such a different environment.

Christmas Cookies and Bags full of Gifts!!

Smile for the Camera!

Zach fell 4 metres through a roof on the Monday before Christmas! He was at a friends house and we got the phonecall he was being taken in an ambulance to hospital!! After lots of checks they found he only had a fracture in one of his vertebrae, none of the doctors could believe he hadn't done a lot worse! Zach was in hospital for 2 nights and came out Christmas Eve, it was so good to have him home for Christmas! Zach is still in a body brace as he has to keep his back straight and is unable to

Carols By Candlelight!

Mark, Hannah and Alana were in the choir for the Carols last month in the park!! It was a great atmosphere and lovely to be singing in the warmth and having people stop and join in!!

Rego Team!

I'm part of a team called Priceless, and we delivered home baked cookies and bags of Christmas gifts for the ladies who work in the brothels.

do any sports, the doctors have said for another 3 months. We are really praying it won't be that long!

Some of the lovely ladies I have been working with for the last year in the mornings to help our students apply for the training schools here and get their visas to reach the nations!

We have been learning a lot about perseverance this year!! In all that is going on around us, to keep focused on Jesus and allow Him to be our strength and our peace. It has been a journey that has been very humbling and leaning more into God and trusting Him.

A huge thank you to everyone who has supported us over the past year, you have so blessed us in your prayers and gifts. It was so encouraging to hear how so many of you were praying for Zach when he had his accident! We would also like to ask more people to pray about sponsoring us, currently we do not have enough to pay our staff fees to YWAM. We are awaiting an account from Stewardship which will make things easier with the added advantage of being able to claim the tax back on gifts given.

Bless you heaps and we pray that you will have a great year in 2015!
